THE FACES OF NJ SHARES

NJ SHARES MISSION STATEMENT

NJ SHARES PROVIDES ASSISTANCE TO HOUSEHOLDS IN NEED OF HELP MEETING THEIR UTILITY BURDEN. THROUGH ASSISTANCE, ADVOCACY, COMMUNITY OUTREACH, EDUCATION, INFORMATION AND REFERRAL, WE CONNECT LOW AND MODERATE INCOME HOUSEHOLDS WITH AVAILABLE RESOURCES.

ASSISTANCE

Energy Assistance: Energy costs can add a significant burden to family budgets. Whether a family or individual is on a limited income or faced with unanticipated financial hardship, NJ SHARES casts a safety net for households who need assistance and do not qualify for other programs.

Telephone Assistance: NJ SHARES is a strong advocate for customer care with a focus on providing our clients with the highest level of support, information and access to resources. In partnership with Verizon New Jersey, the NJ SHARES Client Services Call Center connects clients to the Verizon Communications Lifeline program. This program ensures that seniors and low income households stay connected, allowing people to reach their doctors, families, and emergency services if needed.

Water Utility Assistance: NJ SHARES administers water assistance programs for New Jersey American Water and United Water Customers.

IMPACT

NJ SHARES marked 15 years since giving our first grant in November 1998. Through the generosity of our donors, partner agencies and supporters, we celebrate the true impact made for 177,500 households over the past 15 years.

LETTER FROM THE PRESIDENT AND CHAIRMAN

Dear Friends:

2013 was a particularly difficult year for our New Jersey neighbors in need. Along with high unemployment and poverty rates, some residents who sustained Superstorm Sandy related storm damage may have never needed financial assistance in the past. However, the temporary crisis created by the Superstorm has placed enormous constraints on many people’s ability to return to a normal life. We hope that by continuing to offer qualified households help with their utility payments we can relieve some of that pressure.

This year, NJ SHARES was able to assist more than 132,000 households with their energy, communication and water utility needs. This impact is only possible with your support. Our community partners, agencies, corporate, foundation and individual supporters are all critical to the success of our programs that assist our neighbors so that they can stay safe and warm in their homes and connected to their communities. Electricity, natural gas, water and telephone service are essential components to our daily lives, thank you for making these programs possible.

As federal energy assistance continues to decline, the cost of residential energy continues to increase. As we deal with these issues, it is more important than ever to work together to address the critical public policy challenges that are impacting energy affordability.

Through our work with the Anti-Poverty Network and the Foundation for Aging, we know it is becoming increasingly harder for our neighbors – specifically those financially troubled and the aging population – to face rising costs of living and make ends meet. We continue to provide planners, policy makers, and legislators with data to make important policy decisions.

In the midst of our neighbor’s struggles, we celebrate their achievement in meeting their utility bill balances. In the year following receipt of their grant, recipients paid an average of 85 percent of their current bills and 39 percent paid 90 percent or more than they were asked to pay. The second year after receiving a grant, recipients were even more successful in paying their bills, paying an average of 99 percent of their current bills with 46 percent paying 100 percent of the money they owed. We invite you to view our two-minute video on the impact you have made for our clients, visit our website, www.njshares.org and view the “Your Warm Heart Heats a Home” video.

To stay connected to our agencies, donors, partners and friends, we launched a Facebook page which has already reached more than 650 fans. We hope with our fans continuing to engage us in this forum we can grow a social media presence that inspires good will and connects our neighbors to the vital resources they need.

Let us again express our sincere thanks to our donors, corporate sponsors and network partners who make all the difference to our neighbors in need.

Warm Regards,

Joyce E. Campbell
Chairman of NJ SHARES Board of Directors

James M. Jacob
President and CEO

NJ SHARES' RECIPIENTS WERE LIKELY TO HAVE VULNERABLE HOUSEHOLD MEMBERS.

52% of NJ SHARES' recipients had a child 18 or younger in the home.

19% of NJ SHARES' recipients had a household member over 60 years old.

“MY HUSBAND JIM AND I HAVE ALWAYS BELIEVED YOU SHOULD GIVE BACK TO YOUR COMMUNITY. WE ARE SUPPORTERS OF NJ SHARES BECAUSE WE BELIEVE THAT CHARITY BEGINS AT HOME. WE ARE HAPPY WE CAN HELP.”

ADVOCACY, EDUCATION AND OUTREACH

LOCALLY

NJ SHARES continues to build and maintain strong collaborations with community leaders and other organizations to educate and advocate for households in crisis.

This approach has brought NJ SHARES representation to 303 outreach events and 477 energy, telephone and water assistance trainings in 2013. These activities, such as the Anti-Poverty Network Summit and the Foundation for Aging's TV show – Aging Insights – build awareness while linking clients and agencies with vital programs.

NATIONALLY

NJ SHARES spreads the word nationally by visiting representatives in Washington, DC and sharing best practices at key conferences around the United States.

ACTION DAY

NJ SHARES joined the National Fuel Funds Network, in Washington on April 10 for Action Day, a day of advocacy for energy assistance programs. More than 100 energy assistance organizations from around the country met with their elected officials to educate, advocate and thank them for support of fuel fund programs. These programs provide critical resources for constituents and Action Day ensures our representative's awareness of the need for continued and increased funding. Funding cuts over the last three years have resulted in smaller assistance grants and fewer households served by the Federal programs leaving state and private programs with a larger number of people in need of assistance.

THE NATIONAL ENERGY AND UTILITY AFFORDABILITY CONFERENCE

Jim Jacob presented at the 2013 National Energy and Utility Affordability Conference in San Diego, CA on a panel entitled "Leveraging Partnerships and Increasing Capacity to Help Vulnerable Populations."

The presenters demonstrated a history of success in leveraging partnerships and building capacity for fuel funds. The workshop highlighted the success of statewide initiatives taken by New York and New Jersey whose collaborative state legislative advocacy has been bringing millions of dollars to vulnerable populations annually. Successful approaches and examples were explained, including how the model could be replicated in other states.

Jim Jacob and Cheryl Stowell attend Action Day.

INFORMATION AND REFERRAL

LOCALLY

Our Client Services Call Center provides enrollment services for struggling households in need of affordable telephone service.

NATIONALLY

Kimberly Warrick, NJ SHARES' Client Services Call Center Manager, highlighted NJ SHARES' best practices at the 14th Annual Call Center Conference, held in Las Vegas, NV. The conference was attended by 3,000 delegates and is an annual opportunity to observe the best practices in call center customer service around the country.
